2nd Annual Pizza Bake Off

The 2nd Annual Pizza Bake Off sponsored by North Ridgeville Rotary was held in the outdoor pavilion at The 8820 Event Center on Bender road on Wednesday, October 7th.

Lorain County Prosecutor candidate J.D. Tomlinson and County Commissioner candidate Michelle Hung in support of the community's 2nd annual Pizza Bake-off this month at the 8820 Event Center. A great example of friendship across party lines!

The team from Angelina's was crowned "Best Overall" at the 2nd Annual North Ridgeville Pizza Bake Off held October 7.

The event was a fundraiser for North Ridgeville Community Care and North Ridgeville Citizens for Better Schools. It raised \$1133 for each organization.

Five local pizza vendors participated by sampling up to 3 different pizzas of their choice to the guests in attendance. Mindful of the current pandemic, safety measures were in place.

The cost of the venue was donated by **Michelle Hung for County Commissioner**. A DJ, sponsored by Bistro 83, emceed the event. Nearly 25 raffle baskets were provided by local businesses and community members.

A Message from Mayor Corcoran

As we begin to wind down from all of the capital improvement projects, I want to take this opportunity to talk about economic development and free enterprise. Free enterprise refers to an economy where businesses are free from government control. On a number of occasions, we've heard that we have too many of certain businesses, e.g., pizza places, auto parts stores, car washes, etc. and that we have control over what businesses come and go in our city. The city does not control what businesses go into existing privately-owned properties – the agreement is between the property owner and the business. There are times we are unaware of a business going in until their doors are open to the public. As long as the property is zoned properly and the building codes are met, the city does not get involved in the transaction.

With vacant land and the ability to build a new structure or business, the property owner is in control over who they choose to sell their property to. Then the business or developer will work with Planning Commission and zoning regulations through the Building Department to complete the necessary paperwork and plan review. The Building Department will then issue permits and ensure the proper inspections are done before the business opens their doors to operate their facility.

As to economic development, we are taking an active role in reaching out to and meeting with prospective businesses to promote North Ridgeville as a viable location. We make recommendations of possible locations within the city and assist with making the proper connections with the property owners. We also have the ability to offer incentives subject to program eligibility, availability and approval by required parties to the business to make our city more desirable. These include, but not limited to, tax abatement, tax increment financing, other incentives such as job creation tax credits and low interest loans for equipment may also be considered. There are also county and state initiatives that may also be considered when making the decision to locate to North Ridgeville. We are proactive in our pursuit to bring businesses to our city.

We have received calls at City Hall regarding the shopping plaza at Center Ridge Road and Lear Nagle Road where the former Pat Catan's was located. The property management company split the former Pat Catan's location into three distinct units. The three businesses that will be moving into that space are EB Fitness, Dollar General and Goodwill. The former Goodwill location in the Giant Eagle plaza will be utilized by Dollar Tree to expand their existing store in the same plaza.

If you have any questions, please contact my office at (440) 353-0811.

Sincerely,
Mayor Kevin Corcoran

Masking Up in North Ridgeville

From the first day of the shut-down, North Ridgeville Community Care had a group of volunteers who leaped into action. They wanted to help and figured out how to do it.

Bev Behrns, Mary Elchlinger, Barbara Kraemer, and Jean Becker figured out how; making masks for the people of North Ridgeville and our clients. They gather up material and elastic, all of which are hard to find, but they persevere.

While Jean cuts and irons the

material, Bev, Mary, and Barbara sew the masks. What great teamwork!

They started asking for donations for their masks and have raised almost \$4,000 for North Ridgeville Community Care. Not only have they been making masks for donations, they also make them for our clients.

Every week they drop off more masks for us to distribute to help our clients stay healthy. We can't thank these ladies enough for finding a way to help. Our city is safer because of these women. If you see them out and about please tell

them thanks. These ladies truly are saving lives! Our own Hometown Heroes!

Community Care Adopt-A-Child for Christmas

As we roll into the holiday season, we hope you think about helping North Ridgeville Community Care. We have started our Adopt-a-Child program and are looking for generous people to help out with this. If you don't want to take on a family or child please consider donating an unwrapped toy to be distributed to the children of North Ridgeville. Please visit our website for more information. www.nrcommcare.org.

We are currently looking for turkeys! We need lots! From now until Thanksgiving please donate any size turkeys and/or turkey breasts. This will help us feed those who find themselves in need at the holidays. We have continued to stay open and serve those who need us. As you can imagine we are seeing several new families each week. Many are visiting a food pantry for the very first time. If you know of anyone who finds themselves needing our services please have them contact us.

Please consider sending a monetary donation for your end-of-year giving. You can do so right from the website or mail a donation to us. As always, we thank the residents of North Ridgeville who continue to be a community that cares.

Thank You, Police Department!

Families from the North Ridgeville Early Childhood PTA recently went to the Police Station and chalked up the entrance to the department. They couldn't have picked a better week with no rain. "This brightens our day every time we walk in," said the police department. "Thanks to all of you."

Two-Month Rate Holiday for Trash Collection

Good news for North Ridgeville utility customers. Due to the excess balance of funds that are above what is needed for continued operations in the solid waste account, it is the desire of the Administration to return any excess cash balance to our customers, in the form of a rate holiday. A rate holiday shall be granted for November and December 2020, where no user charges are to be billed by the City to its residential customers for the monthly trash collection fee, during the last two months of 2020. Normal monthly trash charges will resume on the December 31, 2020 utility bill, which would be for the January 2021 trash collection period. If you have any questions regarding the rate holiday or about your bill when you receive it, please call the North Ridgeville Utilities Department at 353-0841.

Hello, my name is **Jaimie Miller**, and I am the Life Enrichment Director at Danbury Senior Living in North Ridgeville. I joined the Danbury team in January 2020 to open the North Ridgeville community.

I live in Amherst with my husband Steve, and our furry menagerie of 3 cats (Simon, Maggie & Boots...all rescues). Steve and I have been married for 38 years, and we have been blessed with 2 wonderful daughters (Megan and Lauren), a son in law (Pierce), and 2 grandsons Ayden (4) and Eli (4 months).

My favorite thing to do is spend time with family! Our girls live close by, so we often see each other every week. Family dinners, outings, and sleepovers with my grandbabies are so much fun! In my free time, I also enjoy cooking, baking, and reading. My husband and I also love to travel, and we have quite a long "bucket list" for places we would like to visit.

Just over 10 years ago, God opened a door for me to leave my previous job and work with seniors. It has really enriched my life. Hopefully, I'm able to spread some joy, and make our residents lives a bit brighter. I know they brighten my days!
