County Airport Soars with Discover Aviation Day

From Staff Reports

Lorain County Regional Airport was busy this week-end with aerial and static displays as Discover Aviation Day brought in aviation enthusiasts and those wanting an up-close look. The blue sky on Saturday was buzzing with the

Commissioner Hung with aviation enthusiasts in front of a vintage WWII B-25 bomber nicknamed Georgie's Gal.

Ford Tri-Motor 5-AT-B sporting a crew of two and ten passengers experiencing the early days of flight. This aircraft set the pace early in the commercial passenger market beginning in 1929, the plane becoming known as the first luxury airliner. This aircraft ferried passengers to Los Angeles in 48 hours, picking up rail passengers from New York City in Columbus, Ohio then making stops in Indianapolis, St. Louis, Kansas City, Wichita and on to Texas, New Mexico, and Arizona all for a one-way ticket price of \$350. On a historical note, astronaut Neil Armstrong's first flight as a passenger was on board a Tri-Motor.

The Tri-Motor was available due to the efforts of Paul and Vicki Koziol, volunteer organizers of the Discover Aviation Center and of the local Experimental Aircraft Association (EAA) Chapter 1252 for their annual Discover Aviation Day. This four-

750 Robotic-Arm Assisted Joint Replacement Procedures Performed at UH Elyria

Milestone of Innovative Robotic Technology that Allows Surgeons to Personalize Total Knee, Partial Knee and Total Hip Replacement Procedures to Each Patient, like Carol Wright of Elyria

Since August of 2016, patients of University Hospitals Elyria Medical Center have had access to the latest technology in joint replacement surgery with Stryker's Mako System. This highly advanced robotic technology has transformed the way joint replacement procedures are performed, enabling surgeons to have a more predictable surgical experience with increased accuracy.

During that timeframe, orthopedic surgeons have performed more than 750 Mako joint replacement procedures at UH Elyria Medical Center, which is currently the only hospital in Lorain County offering the Mako System.

One local resident who has benefitted from a Mako

joint replacement is Carol Wright, 68, of Elyria. For months, she suffered with pain in her right knee and had to forgo the daily activities she enjoyed. "I had bone spurs, and the cartilage in my knee had eroded, so it was bone-on-bone," said Carol. "I knew it was time to have a knee replacement, so I did my research online and found Dr. Stanfield. I liked that he was one of the surgeons who offered robotic technology."

William Stanfield, MD, Director of the Center for Bone and Joint Replacement at UH Elyria Medical Center, explains, "With Mako, we can provide each patient with a personalized surgical experience based on their specific diagnosis and anatomy. Using a virtual 3D model, Mako allows surgeons to create each patient's surgical plan pre-operatively before entering the operating room. During surgery, we can validate that plan and make any necessary adjustments while guiding the robotic-arm to execute that plan."

Carol underwent surgery to replace her right knee in May, and based on the success of that procedure, she has already scheduled Dr. Stanfield to replace her left knee later this month.

"I was in the hospital for less than 24 hours, and within a week, I was walking without a cane or walker," said Carol. "Now, my husband and I are back to walking up to two miles together through our local parks."

Mako Robotic-Arm Assisted Technology can be used for Total Hip Replacement, Total Knee Replacement and Partial Knee Replacement. A complete examination by an orthopedic surgeon determines a patient's eligibility for surgery using the technology.

For an appointment with Dr. Stanfield or any of the Mako-trained orthopedic surgeons at the UH Center for Orthopedics, please call 440-581-7511.

Everyone around town is getting ready for CORN season and the upcoming Corn Festival. The North Ridgeville Historical Society will feature a special Corn Festival display at this month's open house on July 25th. Although the Corn Festival always brings to mind Harold Sweet and the Sweet's Corn, there were a LOT of other farmers who provided residents with their fill of local corn through the years. One of these is shown here. Which roadside stand do you remember from the past?

The Koziol's were busy throughout the day clinching a successful and fun day for all. Paul said, "We have a great Chapter here and they all came together to put on this event. We are so pleased to have so many come out today and get a small taste of aviation and are glad to have a couple of vintage aircraft here to see and ride. We are looking forward to showcase this airfield and are working hard to put on an even better event for 2022."

Lions Club 27th Annual 5K Run & Fun Run

The Lions Club of North Ridgeville is seeking runners and sponsors for our 27th Annual 5K Run & Fun Run to be held on Saturday, August 14, 2021 at 9:00 a.m.

Information for Runners: Race to be held at North Ridgeville Ranger Stadium, 34600 Bainbridge Rd. N. Ridgeville, OH 44039. Online Pre-Race registration is \$25.00 and will be open until midnight August 12th. Registration includes t-shirt and a finisher medal (Custom shirts to all registered by August 1st, subject to availability day of race), post-race refreshments, NO water stops, overall first for 5K trophy and first, second & third place age group medals.

Information for Sponsors: We are very excited to be able to hold this event safely for our community. Race sponsors are vital, not only for the success of the race, but as a means of helping the Lions meet the needs of our community. Our mission is helping those in need through such projects as helping children and older adults receive eye care, hearing aid assistance, sending disabled youngsters to camp, providing the handicapped with helper dogs, and supporting other local groups such as Community Care, VFW Post 9871, the North Ridgeville Senior Center, Boy Scouts of America and our local schools.

We are grateful to the many individuals and

businesses that have helped our projects provide the necessary funds that help so many in our community. Your support for this event demonstrates your commitment to our community and will provide valuable exposure for you and your business.

Gold Sponsor - \$500 – Name and/or logo prominently printed on all event shirts and at the water station on race day, on-site table for company promotions, product/flyer placement in all goodie bags, listed as a top sponsor on our website and Facebook page with a link to company website, and verbal recognition of sponsorship at the event.

Silver Sponsor - \$250 – Name and/or logo printed on all event shirts, product/flyer placement in all goodie bags, listed as a sponsor on our website and Facebook with a link to company website, and verbal recognition of sponsorship at the event.

Bronze Sponsor - \$100 – Name and/or logo printed on all event shirts, product/flyer placement in all goodie bags, and verbal recognition of sponsorship at the event.

Sponsorship registration is due by Saturday, July 24th to insure your logo's place on the race T-shirt. We will contact you for your digital logo.

Use the link below to register and pay. If you have any questions, please email lionsclubofnr@gmail.com. <https://lionsclubofnr.square.site>.

Danbury Senior Living: A Place to Call Home

When you or your loved one are looking for a senior living community to call home, Danbury Senior Living in North Ridgeville is the best choice. The team members at Danbury take pride in creating a setting where residents feel safe, comfortable, and have the chance to experience the Danbury Difference.

Danbury in North Ridgeville offers a variety of living arrangements such as Independent Living, Independent Villas (coming soon), Assisted Living, and an outstanding Memory Care Neighborhood. What makes the Danbury Memory Care Neighborhood so incredible is the passion and commitment the staff have in making sure the residents are well taken care of. As a family member, you will feel a sense of comfort knowing your loved one is in a safe environment while being offered individualized life enriching activities and 5-star care services.

The 5-star care services that are offered are hard not to notice. Some of these ser-

vices and amenities include 24-hour on-site licensed nurses and care companions, restaurant-style dining featuring chef-prepared dishes, a 24-hour response system, beauty and barbershop services, and enjoyable activities that focus on their memory and motor skills, just to name a few. We like to remind our resident's families that we have a 24-hour response system, and our staff is always ready to help, support, and guide our residents to help make life easier.

Each day is a new day and we make it a top priority that our residents feel comfortable and safe in their home by working closely to adapt our environment to what each resident's day looks like. The team at Danbury helps residents engage in daily routines while helping them live happy, healthy, and fulfilling lives.

If you feel Danbury North Ridgeville is the best fit for your loved one and would like more information call 440-596-3797 to schedule to tour. We look forward to seeing you.

July ROPE Winner

Congratulations to this month's Danbury North Ridgeville ROPE winner!

Angie works as our Life Enrichment Assistant, always having a smile on her face (even though she has a mask on- you can still see it!) Always so cheerful and showing such positive energy. One of her favorite things to do outside of work is decorate, craft and spend time with her family watching movies. We are SO lucky to have her! Way to go Angie!

ROPE stands for “Recognition of Performance Excellence.” All ROPE winners get a chance to spin the Danbury prize wheel.

EXPERIENCE THE
Danbury Difference!

DanburyCares

It's a simple statement, but it's the most important thing we can say. We are passionate about making a difference in the lives of individuals impacted by a dementia diagnosis such as Alzheimer's or a memory disorder. North Ridgeville City Schools Hires Two Administrators

At the July 6, 2021, North Ridgeville City Schools Board of Education meeting, the board approved the hiring of Michelle Riley to become the associate principal at the North Ridgeville Academic Center and Chris Pelphrey to become the district's coordinator of curriculum and instruction.

Riley spent the last six years at the Cleveland Metropolitan School District as an assistant principal for grades 9-12 and is currently the administrator on assignment for grades Pre-K-8.

During her tenure at CMSD Riley supervised after-school tutoring and implemented a student council and mentoring program for grades 6-8. She also provided Positive Behavior Intervention and Support (PBIS) of CHAMPS and coordinated award ceremonies each quarter to encourage high morale and to incorporate cultural rituals of student success.

Riley began her career in education as a reading recovery teacher at Prince George's County Public Schools located in the state of Maryland. She spent 10 years teaching middle school English and language arts at Euclid City Schools and spent three years teaching ELA for the Shaker Heights City School District.

"It's an honor and a privilege to work alongside other very successful and educated educators in the school district," Riley said. "I plan to help our team become cohesive at the Academic Center, especially in curriculum and instruction and also with professional development."

Pelphrey has been employed by the Educational Service Center of Northeast Ohio as a curriculum consultant for the past three years. He previously taught seventh-grade ELA for 10 years at Firelands Local Schools, was a part-time gifted and enrichment teacher at St. Jude School for a year, and was a project graduation instructor at Lorain County Community College for a year. Pelphrey replaces Dr. Heather Miller who was hired to become the director of curriculum and instruction for the district.

"I'm extremely excited to be part of the team, I look forward to getting to work," Pelphrey said. "I'm hoping to make an impact on curriculum. I feel that there are some areas I am very comfortable with and there are initiatives I feel that are going to fit very nicely. For me it just seems like a fantastic fit with the colleagues and the values of North Ridgeville and the school district."

During his time at Firelands, Pelphrey instituted and developed a building-wide PBIS program and was the middle school ELA department leader. He developed lessons focusing on common core standards and analyzed data from common, benchmark, and diagnostic assessments to drive instructional planning.

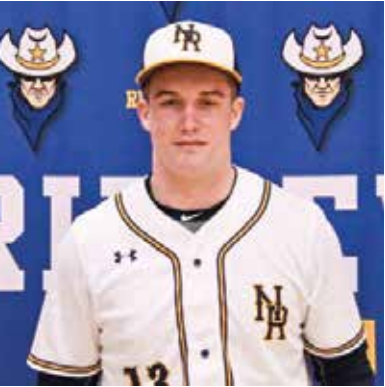

"The Board of Education was impressed with Ms. Riley's and Mr. Pelphrey's resume and what they have been able to accomplish throughout their academic careers," Board of Education Vice President Marci Saxon said. "We were especially impressed by their implementation of educational programming that aligns with the district's mission, vision, and core values."

"Ms. Riley and Mr. Pelphrey exemplified a wide range of curriculum and instruction competencies, core competencies, and leadership skills," Superintendent Roxann Ramsey-Caserio said. "Their accomplishments indicate how committed they are to serving students and ensuring they are successful inside and outside of the classroom."

Riley and Pelphrey will begin their administrative duties on August 2, 2021.

Jacob Flesher is Ridgeville Archie Griffin Award Winner

A two sport athlete for the Rangers (baseball and football), Jacob Flesher has been named North Ridgeville's OHSAA Archie Griffin Award winner, which is presented annually to a student-athlete who has displayed outstanding traits of sportsmanship, ethics and integrity. Flesher worked with the Rangers baseball program this spring on a community service project to give back to the citizens of North Ridgeville. He was also a member of Champions for Life at North Ridgeville High School.
